LONG - R. Earl Muir, a lifelong resident of Birmingham, Alabama, utilizes his past experience as a Police Officer and Detective providing an insight into the inner workings of police and solving crime. He combines his experience with a passion for history, especially that of his beloved city, as he weaves the past and present into compelling stories of crime and intrigue.

In his first novel, ***Magic City Murder Déjà Vu*** (Shades Creek Press 2019), Muir introduces his readers to Lt. Fay Findlay, head of the Birmingham Police Department's Special Crime Unit as they work a case that is eerily similar to a case from 1888. In his 2nd novel, ***BOMBINGHAM A Day of Reckoning*** (SCP 2021), Findlay leads a multi-agency Task Force to stop a domestic terrorist group in a story ripped from the current headlines. His new novel, ***TIMELESS Magic City***, Muir departs from his normal crime drama with a gripping story packed with twists and turns from the first page to the very last in a compelling tale that will make the reader question the timelessness of their very existence and the relationships made throughout life.
